Good Day,

We hope this finds you very well and excited for a wonderful second half of the school year. This is a time of year for reflection and believe it or not, planning! Yes, planning for the next school year starts now. That said, we would love your feedback to assist us with this planning. This survey should take only a few minutes of your time and is incredibly beneficial to us. Thank you in advance for your assistance.

Please go to www.lwase843.org and click on Needs Assessment Survey in order to access the questions.
