

Title IX Grievance Process

Sexual Harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important Cooperative goal. The Cooperative does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the Cooperative's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

The Cooperative's complete Title IX Sexual Harassment Grievance Process is found in Governing Board Policy 2:265 as a part of the Parent Student Handbook located at:
